

# The Truth Will Set US(A) Free

## A New Approach to Race in America

Tuesday, March 26th at 7:00 pm

Today's racial problem is the result of the continuing myth of white superiority and black inferiority that was pressed into the mindset of the American people to justify the Unpaid Labor System (racial slavery). We'll talk about American history as the key to a new national mindset and racial reconciliation.

Presented by: Mathew Foggy, Jr. and Clifton D. Berry
