Based on the real-life love story between comedian **Kumail Nanjiani** and comedy writer **Emily Gordon** (the pair co-wrote the film's script), **THE BIG SICK** quietly emerged as one of the sleeper hits of 2017. Nanjiani stars as a Pakistani comic who meets an American graduate student named Emily (**Kazan**) who becomes worried about what his traditional Muslim parents will think of her. When Emily suddenly comes down with a life-threatening illness, Kumail finds himself developing a bond with her deeply concerned parents (**Holly Hunter** and **Ray Romano**).

**Discussion to follow movie screening.**

**Pizza, popcorn, and drinks served!**

**All are invited and welcome!**
