

SCREENING
& DISCUSSION

Take a Deep Dive into Voter Suppression Tactics

Rigged is a new feature documentary filmed during the 2016 election and narrated by actor and activist Jeffrey Wright which lays out the strategies used around the country, including in Missouri, to suppress voter turnout.

After the screening, Denise Lieberman, Project Director of Power and Democracy for the Advancement Project, will lead a Q&A and suggest ways you can get involved to ensure free and fair elections, both locally and nationally.
