## ABSENTEE IN PERSON

You can vote absentee in person at your local election office (or satellite locations, if available) until 5pm on the Monday before Election Day. Bring ID. You must select a reason (see "Vote Absentee By Mail" for the list) but do not need to submit an application beforehand.

## VOTING ABSENTEE BY MAIL?

You can vote absentee if you expect you could be:

- outside your election jurisdiction on Election Day
- confined due to illness or disability or serving as a caretaker for someone who is (NO NOTARY REQ'D)
- working as a poll worker
- have a religious conflict
- incarcerated (but still eligible)
- in a specific address confidentiality program

Apply online at [MOVOTE.ORG](http://MOVOTE.ORG), or by mail, in person or fax.

Deadline to request ballot by mail is 2 weeks before Election Day, but earlier is better.

Cast the ballot and place in postage paid envelope provided.

Complete form on ballot envelope & confirm your address.

Sign the ballot envelope (in front of a notary if required).

## RETURN YOUR BALLOT

DEADLINE: Your ballot must be RECEIVED by the election authority by 7pm on Election Day.

Mailing can take 7-10 days.

ABSENTEE BY MAIL ballots may be returned to your election authority by mail or in person by the voter or a close relative. Running late or changed your mind? You can surrender your ballot and vote in person instead.

## NEED TO VOTE ON ELECTION DAY?

Even if you requested an absentee ballot, if your ballot hasn't been returned/received by the Election Authority, you can vote at the polls on Election Day.

Don't have the ballot? If your ballot was lost, never arrived, or was rejected, you can complete a Lost Ballot Affidavit and vote a regular ballot at the polls.

Have the ballot? If you are concerned about mailing time, you can surrender your ballot at a polling place and vote in person.

You cannot submit completed ballots at a polling place; you must return it to the election authority office or surrender the ballot at the poll & vote in person

## CONFIRM YOUR POLLING PLACE

Polling places may have changed! Check the postcard you received from your election authority or call 866-OUR-VOTE for help. Voters in St. Louis County, and those in Kansas City using a voting machine, can vote at any polling place. **ALL OTHER VOTERS** must vote at the poll serving their address.

## YOU DO NOT NEED A PHOTO ID

Voters must show **ONE** of the following forms of ID:

- voter card issued by your election authority;
- student ID for a Missouri college or university;
- current utility bill, government check, or government document with your name & current address.

Voters with no ID can cast a provisional ballot.

## NAME NOT ON THE ROLLS?

If your name is not on the rolls at your poll, the poll worker must call the Election Board to confirm your registration and direct you to your correct polling place. If your registration cannot be confirmed, you can cast a provisional ballot. Provisional ballots must be cast at the correct polling place to count..

## YOU HAVE THE RIGHT TO:

*Receive assistance from the person of your choice, as long as it's not your boss or union rep • Get a new ballot if you make a mistake • Vote curbside from your car if you cannot go into the polling place • Vote no matter what time it is if you are in line by 7pm (and stay in line).*

## YOU HAVE THE RIGHT TO VOTE FREE FROM INTIMIDATION

You have the right to vote free from intimidation, including by police, poll watchers, or challengers. No one may disrupt the polling place or impede access to it. Report any intimidation to poll workers and 866-OUR-VOTE.

## IF YOUR ELIGIBILITY IS CHALLENGED

If your eligibility is challenged, a poll worker should confirm your registration. If you are registered, you can vote. Challengers cannot speak directly to voters or disrupt voting. Only an election official can ask you to confirm your registration or ID.
